

## **Fukushima Film and Media Festival 2019 -Call for Entries (Film Category)**

The Fukushima Film and Media Festival, now in its second year, curate films and TV programs related to Fukushima after the disaster and aims to project the reality of present-day Fukushima through a diverse range of perspectives. Our approach is to share stories and provide insights from all over the world to help people deepen their understanding about life after this terrible tragedy.

We are currently accepting submissions for the film category. Selected films will be screened at the festival in September 2019.

- ◆ Name Fukushima Film and Media Festival 2019
